If you joined REMIND101 for your art student last year, I have simply renamed the class. You should not need to sign up an additional time.

Open House August 6th 5-7pm

Are you ready? I'm ready! The staff and administration at Woodland Middle School at Euharlee have been hard at work this summer. You will return to shiny clean floors, new lighting, new air conditioning units throughout the building, and fresh art supplies of course!

With a new year comes new goals and plans. One of my goals, as the head of our art program, is to improve my communication with our parents. If you have not joined our class Instagram

Supply Packs \$20

Due to Parent Feedback, we have decided to offer an art supply pack this year. Each supply pack will include

***travel sketchbook with hard cover and enclosure**

***woodless graphite stick for drawing**

***blending stump for graphite and charcoal shading**

***kneaded eraser for lifting shadows or removing marks.**

If you would like to purchase an art supply pack, rather than shopping on your own, please send cash or check in a sealed envelope with your child's name and grade written on the front. **Checks should be written out to the WMSE Art Boosters in the amount of \$20.**

page, I encourage you to do so. This form of communication is updated most regularly. Our feed includes photos of projects we are working on, finished and displayed artwork, teasers about upcoming projects, and information about upcoming events that feature our art students. Remind 101 is also utilized, though this medium is more appropriate for newsletters and announcements from our class. Our website is www.woodlandarts.weebly.com and my email is abby.hennington@bartow.k12.ga.us.

My second major goal for this year is to showcase our students more often in the Euharlee and Bartow County community. Each fall, we are blessed to have a large scale art show available for view through the holiday season at the Euharlee Welcome Center and History Museum. Each spring, we showcase 5 pieces in the Middle/High School student show at The Booth Western Art Museum in Cartersville. I would love to add another major art show opportunity for our students toward the end of the year. I'm also looking into smaller display opportunities throughout the year, and would love Parent input on locations. Please contact me in the format that is most convenient for you if you would like to give recommendations or share ideas.
